Conference Team: "What communication brings to products and healthcare

- the thoughts of those who use them and those who make them.-"

	12-Sep-23		
	Title	Time	Lecturer
Opening	Opening remarks	9:30-9:40	Mr. Eiji Watanabe (PDA Japan Chapter)
Session A educational lecture1 : Knowledge Management			
A-1	Knowledge Management for the GMP Ministerial Ordinance	9:40-10::40	Mr. Tetsuhito Takarada (Pharma Planning)
Exhibition	break, Corporate webinar (Vetter Pharma 10 mins)	10:40-11:20	
Session B: Case studies of collaboration from the early stage towards commercialisation			
B-1	Successful tech transfer management for novel oligonucleotide compounds from early stage to market entry	11:20-12:00	Dr. Martin Müller (Vetter Pharma-Fertigung)
Lunch & E	Exhibition	12:00-13:00	
B-2	Collaborating to Simplify Device Development and Characterize Glass Solutions for Auto-Injectors	13:00-13:40	Mr.Steven Kaufman (Stevanato Group), Mr.Michael Earl (Owen Mumford)
Session C: High-volume injection systems			
C-1	Recent Activities on High-Dose Subcutaneous Injection Devices	13:40-14:20	Dr.Hideyasu Fujiwara (Nippon Becton Dickinson)
C-2	A literature and usability study into the impact of largevolume/high-dose drug delivery: Breaking conventional autoinjector boundaries	14:20-15:00	Mr. Gary Calderwood and Mr. Chun Chang (SHL Medical)
Exhibition	break, Corporate webinar (Airrex 10 mins)	15:00-15:40	
Session D: Components of combination products			
D-1	Understanding Break-loose & Glide Force Behavior in Prefilled Syringe Systems	15:40-16:20	Ms.Ashwini Bhisikar (Datwyler Pharma Packaging)
D-2	How secondary packaging facilitates communication with the end user.	16:20-17:00	Mr. Manuel Huber(Körber Pharma Packaging AG)
Mixer		17:00-19:00	
		•	
13-Sep-23			
	15 500 25		
	Title	Time	Lecturer
		Time	Lecturer
E-1	Title	7ime 9:00-10:00	Lecturer Mr. Akihito lokawa(Welby Inc.)
	Title Session E: educational lecture2:Connected Device		
	Title Session E: educational lecture2:Connected Device Connected Devices and Digital Health	9:00-10:00 10:00-10:40	
	Title Session E: educational lecture2:Connected Device Connected Devices and Digital Health break, Corporate webinar (Vetter Pharma 10 mins)	9:00-10:00 10:00-10:40	
Exhibition	Title Session E: educational lecture2:Connected Device Connected Devices and Digital Health break, Corporate webinar (Vetter Pharma 10 mins) Session F: Considerations in connected device product developments of the connected device product de	9:00-10:00 10:00-10:40 ppment	Mr. Akihito lokawa(Welby Inc.)
F-1 F-2	Session E: educational lecture2:Connected Device Connected Devices and Digital Health break, Corporate webinar (Vetter Pharma 10 mins) Session F: Considerations in connected device product development of Digital Injector	9:00-10:00 10:00-10:40 ppment 10:40-11:20	Mr. Akihito lokawa(Welby Inc.) Mr. Kohei Seto (PHC Corporation)
F-1 F-2	Title Session E: educational lecture2:Connected Device Connected Devices and Digital Health break, Corporate webinar (Vetter Pharma 10 mins) Session F: Considerations in connected device product development of Digital Injector The opportunities and risks of Connectivity in Drug Delivery	9:00-10:00 10:00-10:40 opment 10:40-11:20 11:20-12:00	Mr. Akihito lokawa(Welby Inc.) Mr. Kohei Seto (PHC Corporation)
F-1 F-2	Session E: educational lecture2:Connected Device Connected Devices and Digital Health break, Corporate webinar (Vetter Pharma 10 mins) Session F: Considerations in connected device product developments of Digital Injector The opportunities and risks of Connectivity in Drug Delivery Exhibition	9:00-10:00 10:00-10:40 opment 10:40-11:20 11:20-12:00	Mr. Akihito lokawa(Welby Inc.) Mr. Kohei Seto (PHC Corporation)
F-1 F-2 Lunch & E	Session E: educational lecture2:Connected Device Connected Devices and Digital Health break, Corporate webinar (Vetter Pharma 10 mins) Session F: Considerations in connected device product development of Digital Injector The opportunities and risks of Connectivity in Drug Delivery Exhibition Session G: Human Factor Engineering	9:00-10:00 10:00-10:40 opment 10:40-11:20 11:20-12:00 12:00-13:00	Mr. Akihito lokawa(Welby Inc.) Mr. Kohei Seto (PHC Corporation) Mr.Takuya Matsui and Mr. Andy Pidgeon (Cambridge Consultants)
F-1 F-2 Lunch & E	Session E: educational lecture2:Connected Device Connected Devices and Digital Health break, Corporate webinar (Vetter Pharma 10 mins) Session F: Considerations in connected device product develor Strategic Approach of Digital Injector The opportunities and risks of Connectivity in Drug Delivery Exhibition Session G: Human Factor Engineering Human Factors – Innovation Case Studies	9:00-10:00 10:00-10:40 opment 10:40-11:20 11:20-12:00 12:00-13:00	Mr. Akihito lokawa(Welby Inc.) Mr. Kohei Seto (PHC Corporation) Mr.Takuya Matsui and Mr. Andy Pidgeon (Cambridge Consultants) Mr. Michael E. Wiklund, (UL Solutions)
F-1 F-2 Lunch & E	Session E: educational lecture2:Connected Device Connected Devices and Digital Health break, Corporate webinar (Vetter Pharma 10 mins) Session F: Considerations in connected device product develor Strategic Approach of Digital Injector The opportunities and risks of Connectivity in Drug Delivery Exhibition Session G: Human Factor Engineering Human Factors – Innovation Case Studies Streamlining Human Factors Assessment Strategies for Prefilled Syringes: Pre-recorded speech	9:00-10:00 10:00-10:40 opment 10:40-11:20 11:20-12:00 12:00-13:00 13:00-13:40 13:40-14:20	Mr. Akihito lokawa(Welby Inc.) Mr. Kohei Seto (PHC Corporation) Mr.Takuya Matsui and Mr. Andy Pidgeon (Cambridge Consultants) Mr. Michael E. Wiklund, (UL Solutions)
F-1 F-2 Lunch & E	Session E: educational lecture2:Connected Device Connected Devices and Digital Health break, Corporate webinar (Vetter Pharma 10 mins) Session F: Considerations in connected device product developments of Digital Injector The opportunities and risks of Connectivity in Drug Delivery Exhibition Session G: Human Factor Engineering Human Factors – Innovation Case Studies Streamlining Human Factors Assessment Strategies for Prefilled Syringes: Pre-recorded speech break, Corporate webinar (Airrex 10 mins)	9:00-10:00 10:00-10:40 opment 10:40-11:20 11:20-12:00 12:00-13:00 13:00-13:40 13:40-14:20	Mr. Akihito lokawa(Welby Inc.) Mr. Kohei Seto (PHC Corporation) Mr.Takuya Matsui and Mr. Andy Pidgeon (Cambridge Consultants) Mr. Michael E. Wiklund, (UL Solutions)
F-1 F-2 Lunch & E G-1 G-2 Exhibition	Session E: educational lecture2:Connected Device Connected Devices and Digital Health break, Corporate webinar (Vetter Pharma 10 mins) Session F: Considerations in connected device product development of Digital Injector The opportunities and risks of Connectivity in Drug Delivery Exhibition Session G: Human Factor Engineering Human Factors – Innovation Case Studies Streamlining Human Factors Assessment Strategies for Prefilled Syringes: Pre-recorded speech break, Corporate webinar (Airrex 10 mins) Session H: robotics automation	9:00-10:00 10:00-10:40 Depment 10:40-11:20 11:20-12:00 12:00-13:00 13:00-13:40 13:40-14:20 14:20-15:00	Mr. Akihito lokawa(Welby Inc.) Mr. Kohei Seto (PHC Corporation) Mr.Takuya Matsui and Mr. Andy Pidgeon (Cambridge Consultants) Mr. Michael E. Wiklund, (UL Solutions) Ms. Esther Foo(MERCK)
F-1 F-2 Lunch & E G-1 G-2 Exhibition H-1	Session E: educational lecture2:Connected Device Connected Devices and Digital Health break, Corporate webinar (Vetter Pharma 10 mins) Session F: Considerations in connected device product develor Strategic Approach of Digital Injector The opportunities and risks of Connectivity in Drug Delivery Exhibition Session G: Human Factor Engineering Human Factors – Innovation Case Studies Streamlining Human Factors Assessment Strategies for Prefilled Syringes: Pre-recorded speech break, Corporate webinar (Airrex 10 mins) Robotics and Automation – The Enabler for higher Quality and Annex 1 CCS Compliance: Pre-recorded speech Development Initiatives for 「G-LASTA Subcutaneous Injection 3.6mgBodyPod」	9:00-10:00 10:00-10:40 ppment 10:40-11:20 11:20-12:00 12:00-13:00 13:00-13:40 13:40-14:20 14:20-15:00	Mr. Akihito lokawa(Welby Inc.) Mr. Kohei Seto (PHC Corporation) Mr.Takuya Matsui and Mr. Andy Pidgeon (Cambridge Consultants) Mr. Michael E. Wiklund, (UL Solutions) Ms. Esther Foo(MERCK) Mr. Julian Petersen(groninger & co. gmbh)
F-1 F-2 Lunch & E G-1 G-2 Exhibition	Session E: educational lecture2:Connected Device Connected Devices and Digital Health Deveals, Corporate webinar (Vetter Pharma 10 mins) Session F: Considerations in connected device product development that works with patient product development along with Users Title Session F: Considerations in connected device product development along with Users Session G: Human Factors product development along with Users Session G: Human Factor Engineering Human Factors – Innovation Case Studies Streamlining Human Factors Assessment Strategies for Prefilled Syringes: Pre-recorded speech Session H: robotics automation Session I: Product development that works with patient product development along with Users	9:00-10:00 10:00-10:40 Depment 10:40-11:20 11:20-12:00 12:00-13:00 13:00-13:40 13:40-14:20 14:20-15:00	Mr. Akihito lokawa(Welby Inc.) Mr. Kohei Seto (PHC Corporation) Mr.Takuya Matsui and Mr. Andy Pidgeon (Cambridge Consultants) Mr. Michael E. Wiklund, (UL Solutions) Ms. Esther Foo(MERCK)
F-1 F-2 Lunch & E G-1 G-2 Exhibition H-1	Session E: educational lecture2:Connected Device Connected Devices and Digital Health Deveak, Corporate webinar (Vetter Pharma 10 mins) Session F: Considerations in connected device product development for Digital Injector The opportunities and risks of Connectivity in Drug Delivery Exhibition Session G: Human Factor Engineering Human Factors – Innovation Case Studies Streamlining Human Factors Assessment Strategies for Prefilled Syringes: Pre-recorded speech Development Initiatives for IG-LASTA Subcutaneous Injection 3.6mgBodyPodJ Product development along with Users Session J: Panel discussion	9:00-10:00 10:00-10:40 10:40-11:20 11:20-12:00 12:00-13:00 13:00-13:40 13:40-14:20 14:20-15:00 15:00-15:40	Mr. Akihito lokawa(Welby Inc.) Mr. Kohei Seto (PHC Corporation) Mr.Takuya Matsui and Mr. Andy Pidgeon (Cambridge Consultants) Mr. Michael E. Wiklund, (UL Solutions) Ms. Esther Foo(MERCK) Mr. Julian Petersen(groninger & co. gmbh)
F-1 F-2 Lunch & E G-1 G-2 Exhibition H-1	Session E: educational lecture2:Connected Device Connected Devices and Digital Health Deveals, Corporate webinar (Vetter Pharma 10 mins) Session F: Considerations in connected device product development that works with patient product development along with Users Title Session F: Considerations in connected device product development along with Users Session G: Human Factors product development along with Users Session G: Human Factor Engineering Human Factors – Innovation Case Studies Streamlining Human Factors Assessment Strategies for Prefilled Syringes: Pre-recorded speech Session H: robotics automation Session I: Product development that works with patient product development along with Users	9:00-10:00 10:00-10:40 ppment 10:40-11:20 11:20-12:00 12:00-13:00 13:00-13:40 13:40-14:20 14:20-15:00	Mr. Akihito lokawa(Welby Inc.) Mr. Kohei Seto (PHC Corporation) Mr.Takuya Matsui and Mr. Andy Pidgeon (Cambridge Consultants) Mr. Michael E. Wiklund, (UL Solutions) Ms. Esther Foo(MERCK) Mr. Julian Petersen(groninger & co. gmbh)
